NEW BUSINESS

Jefferson Township is submitting a Gaming Grant to resurface their parking lot. They would like a letter of support from Wayne Township in favor of the project.

I received an email from Jerry Feaser, Director Dauphin County Bureau of Registration and Elections regarding the ADA Accessibility of our Community Room. We will be receiving a letter detailing the items that must be addressed.

I had a request to have Dyrle Albert cut the bush that blocks the sightline when pulling out onto Powells Valley Road. I explained that Powells Valley Road is a State Road and we can't trim the bush. I suggested that she contacts the State Police and they may be able to tell her who to call.

Kristina Ney called James Long, Jr. for her mother, Joyce Lucille Ernst. They were to have a right-away off of Pheasant Hill Drive and Kristina's attorney researched and this was never recorded.
