PUBLIC COMMENT

There is a safety issue at the North End of Sheetz Road & Powells Valley road. The banks need to be cut back to improve the sight distance when entering Powells Valley road. Also Rummel Road has the same problem.

Tree limbs over Sheetz Road, Camp Hebron Road, Matamoras Road, Rummel Road, all Township roads should be checked for tree limbs hanging over the road. Phone bids will be acquired for tree trimming of all Township roads.

Waynesville intersection is dangerous. Drivers are not stopping at the stop signs. “LOOK SEE BE SAFE”
